PAIR ACCUSED IN HORST CASE DEFEND SELVES

Father and Son Charged
With Kidnapping On
Witness Stand

JURY MAY GET CASE TOMORROW

Prisoners Deny That
They Know Of
Disappearance

Wooster, Mar. 15.—A near riot resulted here this afternoon when crowds fought to gain entrance to the courtroom in which the two Arnolds, Elias and Arthur, are standing trial for the kidnapping of four-year-old Melvin Horst. Hundreds outside rushed for the courtroom when it was opened for the afternoon's session. Glass in the entrance doors was broken, and a door was loosened from its hinges. No injuries were reported, though several persons are known to have sustained bruises. Bailiff O. C. Franks and sheriff's deputies experienced much difficulty in restoring order.

WOOSTER, O., March 15.—Indications that the Arnold case will not go to the jury until tomorrow morning, were given at the trial shortly before noon today.

Elias Arnold, admitted bootlegger who with his son Arthur, 17, is on trial here for the kidnapping of four-year-old Melvin Horst, was recalled to the witness stand when court opened this morning.

At first it was thought that the testimony of the white-haired father had been completed yesterday. This gave rise to reports that the case would go to the jury early today.

Now it appears that the case will not be given into the hands of the seven men and five women until tomorrow morning, or possibly late this afternoon, though this latter eventually was not deemed probable.

Under cross-examination by special Prosecutor Walter Meugey, the elder Arnold steadfastly denied that he had any connection with the abduction of the four-year-old boy from the streets of Orrville on the night of Dec. 27.

Arthur Arnold, the son, then resumed the stand. It is expected that his direct and cross-examination testimony will take up the greater part of the early afternoon. After that, several rebuttal witnesses will be called, it was learned from the prosecuting attorneys.

Closing arguments will then begin, and unless Judge George A. Stark lengthens the afternoon's session there is little likelihood that the case will go to the jury.

The fate of the missing lad is still unknown. Authorities believe that he is dead.

GUNSHOT WOUND CAUSE OF DEATH

Ohio Farmer Shoots Self Twice
In Effort To End Life;
Crops Were Failures

WILMINGTON, O., Mar. 15.—One bullet which passed completely through his body having failed to cause his death, S. C. Whitecraft pulled the trigger of his revolver the second time, causing instant death.

Whitecraft, a 50-year-old farmer, drove 10 miles in order to buy the gun which ended his life yesterday. Driving homeward, he stopped when no one was in sight, parked his automobile along the highway and ended his earthly days.

The farmer had suffered crop losses and was financially worried, a condition which is believed to have prompted him to commit suicide.

Dog-gone!

Columbus, Mar. 15.—"Oh, where oh where has my little dog gone?" S. F. Griggs was singing some today. He reported to police that burglars had ransacked his apartment and that the only thing missing was his pet dog.

Toy Pistol And Real Article Used In Battle With Thug

Cleveland, Mar. 15.—A Cleveland patrolman and an alleged bandit traded weapons late yesterday afternoon. The trade was involuntary on both sides and occurred during a struggle which ensued when the patrolman grappled with the fugitive.

Immediately after the exchange the accused stickup man pumped six bullets from the patrolman's pistol at the officer, none of them taking effect.

At this juncture the policeman decided it was time to do something shooting himself. Accordingly he took careful aim at the supposed stickup artist, with the latter's pistol, and pulled the trigger.

ARMY OF CALLES DRAWS CIRCLE AROUND REBELS

Orders Are To Kill Or
Capture Entire
Army

INSURGENTS PLAN TO GAIN PLANES

Small Rebel Force Is
Heading Towards
Tia Juana

MEXICO CITY, March 15.—Gen. Plutarco Elias Calles, war minister and field commander of the rebels, is throwing a vast circle of troops about the rebel army in the Coahuila-Durango border.

It is evidently the strategy of the federal commander-in-chief to surround the rebels and prevent their retirement towards their base at Chihuahua City.

Four separate columns of federals are taking part in this encircling movement.

News of the capture of Durango by Gen. Calles' army is "expected hourly." The rebel position at Durango, capital of the state of Durango, lies in the path of Gen. Calles northward advance.

KILL OR CAPTURE?

Gen. Calles is reported to have issued orders to "kill or capture" every soldier in Gen. Escobar's rebel army.

Rebel agents on the Mexican border report that an insurgent force is moving upon Naco.

It is reported, also, that a small rebel force is moving toward Tia Juana, near the California line.

NACO, Sonora, Mexico, March 15.—Although rebel troop movements continued today in the campaign to recapture Naco, Sonora from General Augustin Olachea, initiations today at rebel headquarters here indicated that the Naco garrison may return to the revolutionary cause without the battle which had been expected since last Tuesday when Olachea reaffirmed his command.

Chief Clive Dall and Fireman Arthur Reese were severely hurt when a portion of a roof collapsed on them. They were stunned but managed to rise to their feet and stagger to safety.

Greater loss was prevented by a fire wall, built about 1910, which checked the spread of the conflagration.

The blaze is said to have started in the auditorium or chapel. The junior class were to have given a play in the chapel last night, but the fire prevented the performance.

Special lighting effect and scenery had been placed about the chapel. Though the fire could have resulted from defective wiring, it was said, both police and firemen are making an investigation.

The loss was said to have been partly covered by insurance. Housing of the classes was the most serious problem that confronted the school board. There will be no school today. A vacant hospital nearby, it is said, may be turned into an emergency school house.

MURDER CHARGE FOLLOWS FIGHT

Knife Battle Has Fatal Ending To Marion Resident

MARION, O., March 15.—Charged with murder, Clarence Pennigan was scheduled to be arraigned in municipal court here today.

The defendant is alleged to have faced off against Clement Shuster in a knife battle early Wednesday at Agosta village, north of here. He is expected to plead self-defense.

Shuster, with his wife, Pennigan and another woman attended a dance at Agosta Tuesday night. Starting home, early in the night, the men quarreled and Shuster is alleged to have attacked Pennigan with a penknife. After being stabbed in the face, the defendant is said to have turned the knife on Shuster, causing wounds which later resulted in the latter's death.

Pennigan, according to police reports, was jealous of his wife as a result of her dancing with Pennigan.

PHILIPPINE JOB FOR ROOSEVELT

Rumor Has It Former Assistant
Secretary of Navy Is Boosted
For Governor General

WASHINGTON, March 15.—A quiet campaign to make Col. Theodore Roosevelt, governor-general of the Philippines, has made its appearance here. How successful it will be remains to be seen.

The post was originally offered to Col. Wm. J. Donovan, assistant attorney-general, after President Hoover removed him from the cabinet slate. Donovan declined the post.

Roosevelt has been out of public life since his defeat for the governorship of New York by Al Smith several years ago. Prior to that he was assistant secretary of the navy.

The Philippines post is one of the best in government service, so far as salary goes. It commands \$20,000 a year and a splendid palace.

STOCKHOLDERS OF CLUB MEET

Will Discuss Plans and Improvements
For Coming Year at Salem
Country Club

Stockholders of the Salem Country club will hold a business meeting at the Memorial building, at 7:30 Monday night.

Several matters of importance are scheduled for discussion, among them the report of the committee delegated to start plans for a fish hatchery at the lake.

The club reports excellent prospects for the coming summer season, the lake, with its bathing beach and fishing grounds all having been improved last year, while the tennis courts are in fine condition.

There are about 350 stockholders in the club, which includes approximately 1,200 members.

THE LEGION'S BIRTHDAY

Ten years ago today a little group of men who had gone through the harrowing experiences of a great war, the greatest of all time, sat around a marble-topped table in a little cafe in Paris. Then and there the American Legion was given its inception and life.

The groundwork for this great organization was well laid. Promptly upon return to America, veterans of the service in army, navy, air and marine corps set up Legion posts everywhere. No town is too small today to find an active and progressive group of Legions. Most large cities have two, three and four posts. Notable have been the accomplishments. Great has been the pleasure of contact, association and reminiscence.

The American Legion's birthday is a occasion for congratulation that here in Salem we have a tightly bound unit of men determined to perpetuate the memory of their fallen comrades, to participate socially in affairs of worth, to lead and to follow in civic developments.

The Salem post has grown under a spirited membership campaign. It should include every man who has received his honorable discharge from government service.

The post holds a strong place in community affairs, having won to itself well-merited respect and cooperation.

SAFEGUARDING LIFE

It is very probable that there would have been but little, if any, life loss aboard either the S-51, which was run down off Block Island in 1926 with a loss of 33 lives, or the S-4, which was sunk in the same way off Provincetown in 1927 with a loss of forty lives, had those submarines been equipped with the devices which have since been perfected to safeguard against such horrors.

We have previously spoken of the pad-eye device—rings attached to the hull of a submarine to which pontoons may be attached to raise it—and the lung device—a device similar to a gas mask which supplies oxygen to the wearer to enable him to breathe while rising from a sunken submarine to the surface. At that time the value of pad-eyes may have been overestimated and an underestimate placed on the lung device, which had not then been used to a greater depth than 110 feet and only once to that depth.

Since that writing, naval officers very generally have come to the view that so much time would be required to convey pontoons to the scene of an accident, to attach them to a sunken vessel and pump them full of air to give them the necessary lifting power, that their value for saving life in fair weather would be questionable and utterly negligible in rough weather. However, while the pad-eyes have depreciated in esteem during the passing weeks there has been a marked appreciation in the esteem in which the oxygen lung device is held, due to the more recent tests given it. Last week, off Key West, Florida, Lieutenant C. B. Monson and Chief Torpedoman Edward Kalinowski, who had made three previous escapes from the reconditioned S-4 at forty, seventy-six and 110 feet, left that undersea craft when it rested upon the ocean bed at a depth of 200 feet and came to the surface without the slightest apparent physical injury or even discomfort. It may be said that their feat marked the first time that a human-being had ever been submerged to that depth outside a vessel or armored diving suit and lived.

And to make the week doubly notable, while this last mentioned test was being made in the Atlantic, another experiment of major importance was being made in Pacific waters by our navy, the S-29 being first ventilated and later raised from a depth of fifty feet to the surface. While the inauguration ceremonies were in progress in Washington, the S-29, attended by the submarine salvage tender, Auto-

EAR COMPLICATIONS
MAY FOLLOW DISEASEBY ROYAL S. COPELAND, M. D.
(United States Senator from New York)

A great many diseases are more serious in their complication than they are in their direct effects. For instance, influenza is a much dreaded ailment. As a matter of fact, however, nobody dies from influenza. Its complications are what we most dread. This is particularly true of pneumonia.

The germs of influenza set up a violent inflammation in the breathing organs. The tissues become inflamed and their powers of resistance to other germs are weakened. Along come the germs of pneumonia. They find just enough soil upon which they thrive. Then there is serious trouble.

Then, prepare the way for other diseases. Some disease extend rather widely their fields of operation. Instead of "staying put" they reach out, gradually spreading to neighboring parts and creating trouble wherever they go. In short, they do not limit their evil effects to one single part of the body.

What we speak of as "relapses" are sometimes signals of new involvements of other portions of the body. For instance, to speak again of influenza, it may leave the lungs untouched but choose to attack the ear.

Leading from the back part of the nose, the space between the nose and upper part of the throat are two passageways called the eustachian tubes. They are lined with mucous membrane identical with the lining membranes of the nose. Each tube opens into the ear on the side of the head.

In its turn, the middle ear is lined with mucous membrane. In short, the same kind of tissue that covers the walls of the nose and eustachian tubes is found in the ear.

You know how difficult it is to keep strawberry plants in rows or hills. The tendrils and roots will spread into the paths between the rows or to the spaces between the hills. If left alone, it won't be long before the whole area is a solid mass of strawberry plants.

In similar fashion the inflammation in the nose extends its effects into the mouth of one of these tubes presses on through, and pretty soon the middle ear is inflamed. The inflammation causes the walls of the canal to swell, and there may be so much swelling that the tube is obstructed.

You know what a mean feeling that gives you. The ear is "stopped up" and the hearing is reduced for the time. But this effect is more

The Stars Say

For Saturday, March 16

CONFLICTING astrological forces hold sway on this day. There is a figure promising sudden change or journey, possibly pertaining to the employment; nevertheless new ventures are under unfortunate aspect, and contracts, letters and affairs of promotion or punishing are under adverse sway. With enterprise and precaution affairs may be directed into successful channels. There are some indications of fairly interesting and pleasant personal relations.

Those whose birthday it is may look for an interesting and eventful year, with prospect of change or travel. But unusual precaution should be taken against duplicity or misrepresentation, particularly as regards writings or new ventures. Employment is under fortunate sway. A child born on this day may have many fine qualities and talents, but nevertheless it will have subtle and furtive ways and should be given rigorous training in veracity and probity.

What constitutes
a Good Refrigerator?

GOOD looks alone, with refrigerators as with people, are only "skin deep." It's the hidden qualities that count. A refrigerator should be completely and thickly insulated with an insulator approved by the National Association of Ice Industries. It should be correctly constructed to permit air circulation which automatically cleans and refreshes the air constantly. Ice capacity should be correctly proportioned to the size of the food chamber and be large enough for those generous table uses of ice which are daily becoming more popular.

Free Advice. Our illustrated folder, "Ice Box Check-Up Book" should prove a good aid to all who wish to take advantage of the exceptional refrigerator values offered this month.—*National ICE Refrigerator Month.* Just ask us to send you a copy.

Obituary

MRS. LIZZIE J. GRAFTON

Following a long illness, Mrs. Lizzie J. Grafton, 72, died about 1 p.m. Friday at the home of her sister, Mrs. Mary Hamilton, at Franklin Square.

Mrs. Grafton had lived with her sister since 1916. She was married to John W. Grafton, a farmer of Wayne township, in 1854.

Surviving are one sister, Mrs. Hamilton, and one brother, Rev. W. A. Scott, Aneta, N.D.

Funeral arrangements have not been completed.

MEXICO

(Continued From Page One) himself with the federal government.

Unconfirmed reports given out at headquarters today said Olachea was making overtures to the rebel leaders with a view of reaffirming his support to the revolution.

Revolution Reports Persist

Reports still persist here that the Olachea mutiny was a prearranged rebel plan for the purpose of drawing ammunition through the border from the United States and for obtaining war plans from Mexico City.

This theory was minimized by federal leaders through Mexican Consul Y. M. Vasquez at Nogales, Arizona, who declared the Olachea mutiny was absolutely authentic.

The theory was strengthened however by the fact that General Francisco Manzo, second in command of the revolutionary army, changed his plans and left Nogales for the south to assist General Ramon Iturbe in his campaign against federal General Jaime Carrillo who is holding the important port of Mazatlan on the west coast of Sinaloa.

General Manzo according to headquarters intended earlier to lead the drive on Naco.

FLOOD

(Continued From Page One)

It was reported that the water was from "10 to 15 feet" through the town of 4,000 inhabitants. Those who had not

been rescued were huddled in the top stories of the largest of the buildings in town, it was reported.

It could not be learned whether any persons had been drowned when the town suddenly became deluged by an overflow from the Pea river and White Water creek.

The town was completely cut off from commercial lines of communication, and virtually all telegraph and telephone lines west of Mont-

gomery were down.

It was stated that the national guard contingent that reached Elba travelled the last six miles of the long journey in rowboats. Work of rescuing the marooned residents will be a slow task.

Emergency Supplies Rushed

Emergency supplies of food and medicine were rushed from here this morning. It was regarded as problematical whether the carriers who

set out early in the day could reach

the scene of disaster due to the rise of the waters and the gaping washout.

Meanwhile various other places in this section of the state were inundated, but the situation was not

near so serious as at Elba.

Volunteers pushed every effort to

reach Enterprise, Ala., where danger also threatens.

BIRMINGHAM, ALA., March 15.—

Birmingham today was responding to the call for help sent out last night for flood sufferers in South Alabama. Collections of money and supplies were being taken up to rush into the stricken area.

Coffee county seems to be the worst hit. There, in the little town of Elba, 4,000 citizens face death unless their early rescue is effected. The town is half submerged by overflow from the Pea river and White Water creek.

Thousands of other inhabitants of a dozen towns in the south-eastern part of the state were abandoning their homes early today.

Torrential rains amounting to from four to seven inches which fell during the past 36 hours covered the southern part of the state with the worst flood in 20 years.

Mississippi High

Further west, the Mississippi river was reported out of its banks in places and lapping the tops of levees all the way from Quincy, Ill., to Vicksburg, Miss.

Thousands of acres in Iowa were reported under water, with roads impassable in many sections.

At Keokuk, the Des Moines river was up two feet and was standing at a 12-foot stage, while at Quincy the Mississippi was said to have risen four feet within the past 24 hours.

COLUMBIANA

Mrs. Robert Benninghoff delightedly entertained the Entré Club members Wednesday evening at her home on the Youngstown rd. Three tables of five hundred were in play, with Mrs. Clifford Laughlin securing first prize and Mrs. R. E. Brungard the guest prize. A two-course luncheon was served following the games. The appointments were in St. Patrick's day colors. Mrs. Alfred Barrow and Mrs. Brungard were club guests.

At Geneva, Ala., in the extreme southern section of the state, residents were warned that water at that point will probably reach heights never before recorded and

swell down upon the Wisconsin thaws.

The annual congregational meeting of the local Presbyterian church will be held Wednesday evening April 3, beginning with a covered dish supper in the dining room.

Miss Ethel Lennig and Mr. and Mrs. Leo Holloway attended the lecture Wednesday evening at the Starhaugh auditorium. Youngtown given by Angelo Pati, the famous educator.

The Bible class of the Christian Sunday school held a business and social meeting Thursday evening at the home of Mr. and Mrs. Harry Early, Railroad st.

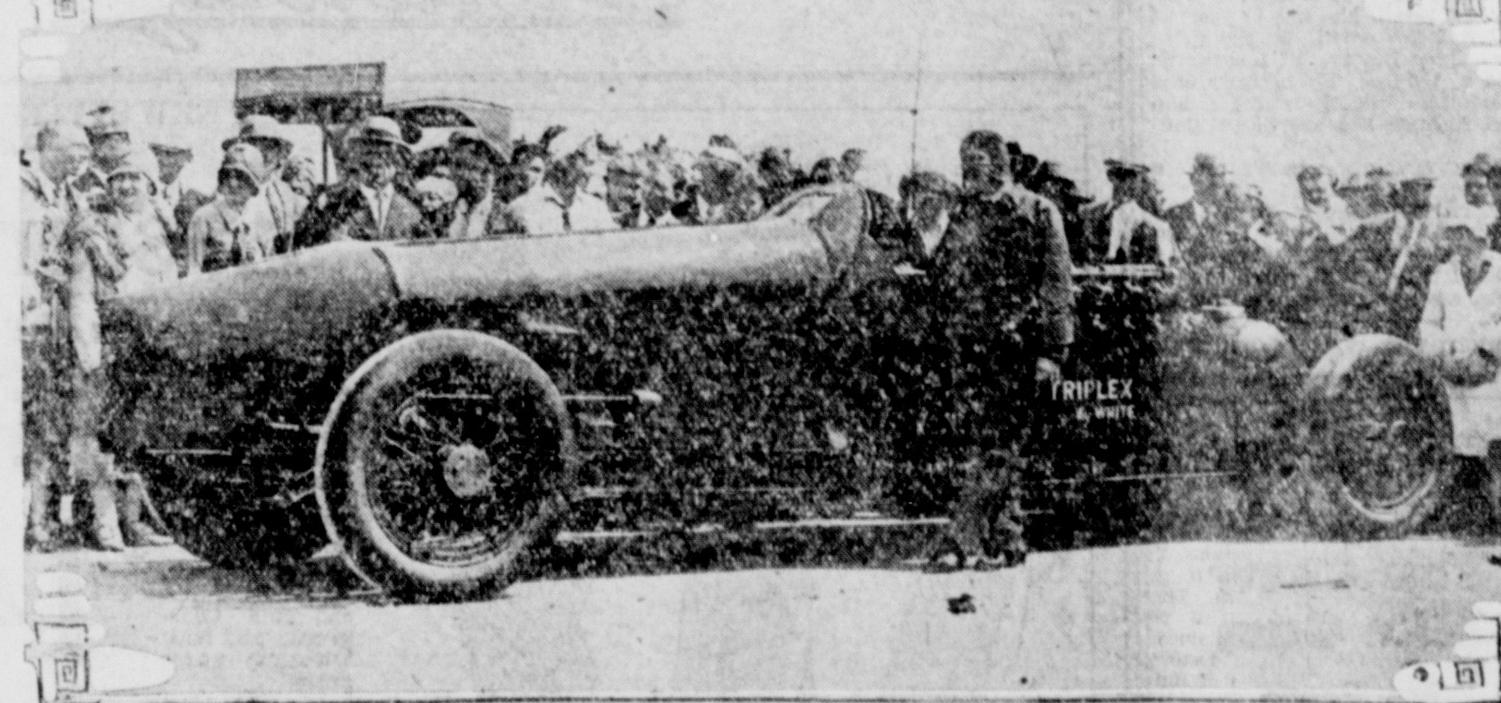

The meeting of the South Side club which was to have been held Thursday afternoon at the home of Mrs. Ralph Henn, South Main st., has been postponed one week. Mrs. C. O. Biddison is associate hostess.

The supper served Thursday evening to the public by the ladies of the Christian church, was well attended.

Policeman Near To Death After Crash

Dayton, O., March 15.—Motorcycle Officer C. A. Richeson is near death here today, despite two blood transfusions last night.

The believed-fatal accident occurred as Richeson was chasing two men suspected of robbing a warehouse. He crashed into a parked automobile, and the handlebar of his motorcycle penetrated his stomach.

Social Affairs

17th Eastern Star Anniversary Party Brilliant Affair

Members of Salem chapter No. 334 Order of Eastern Star, appeared on the screen at a picture "show" with "talkies," at Mason's temple Thursday evening.

Some were pictures of the members in infancy, childhood, youth and early life; all were taken before they had attained note through their activities in chapter work.

This unique feature was a part of the program offered at the brilliant party given by Salem chapter to celebrate its 18th anniversary, and afforded much merriment.

Caps of the Star colors red, green, yellow, blue and white were given the guests as they arrived and were worn during the dinner.

A large star of the colors centered each table. Flowers and small potted ferns were used for centerpieces. Green nut baskets were tied with narrow white satin ribbon.

During the dinner Miss LaVonne Simpson gave a piano solo and Clair King a trumpet solo, accompanied on the piano by his mother, Mrs. W. D. King.

The guests assembled in the lodge room for the program and they were welcomed by Mrs. Thomas Reese, worthy matron of the chapter.

Mrs. H. L. McCarthy was chairman of the committee, which arranged this enjoyable affair.

Mrs. John M. Davidson and her committee were in charge of the dinner.

Miss Simpson gave the opening number on the program, a piano solo. A Hal Roach comedy picture, "Why Is a Plumber?" formed a part of the entertainment.

Mrs. L. W. King and Mrs. Charles Cornwell contributed vocal duets. Mrs. A. W. Stoner, played the accompaniment.

A humorous playlet, "A quiet Bridge Game," presented by a cast including Miss Helen Stewart, Att'y. H. L. McCarthy, Mrs. Ray Wilkins and John T. Burns was much appreciated.

The numbers on the program were announced by Jean McCarthy and Mary Helen Peters.

The Salem chapter was organized

LEAP YEAR CLUB

Members of the Leap Year club were entertained by Mrs. Lydia Reeves at a chicken dinner Thursday at her home, Pidgeon rd.

Select readings entertained and in a contest the honors went to Mrs. R. R. Read.

Invited guests were Mrs. Pearl Padon and Mrs. Isabel Hisey and daughter, Jeanette.

A meeting in two weeks will be with Mrs. Annie Hilliard, Mount st.

CALUMET EASTER DANCE

Announcement was made Friday that the Calumet dance committee had changed the date of its Easter dance from April 6 to March 30. It will be held at the Elks club.

The date was changed to accommodate the college students home for vacation. This is an invitation dance.

Danny Nirella's famous 10 piece orchestra of Pittsburgh, will furnish the music.

HOME CIRCLE CLUB

On Thursday afternoon members of the Home Circle club met with Mrs. M. H. Knopp south of Greenford. There were 14 in attendance. Contests and needlework entertainment. Mrs. Warren Weikart was an invited guest.

Mrs. Knopp served a lunch and was assisted in serving by Mrs. Jerry Kendig. On April 11, the members will meet with Mrs. Raymond Lamb, south of Greenford.

NEWGARDEN ST. CLUB

Mrs. Sarah Konnerd had as her guests Thursday evening members of the Newgarden Street club at her home. Newgarden st. Needlework was a pleasure of the evening and a lunch was served.

In one week the members will meet with Mrs. Tonsch, Newgarden st.

HELPING HAND CLASS

A covered dish dinner and White Elephant social were features of a meeting of the Helping Hand class of the M. E. church Thursday at the church. There was a question box and Mrs. Calvin Leisure sang two solos.

A meeting on April 11 will be at the church.

GOODWILL CLUB

Fancywork interested the members while they visited at a meeting of the Goodwill club Thursday afternoon at the home of Mrs. Harold Weekley, Ohio ave. A lunch was a concluding pleasure.

Mrs. Ross Culerson, East High st., will be hostess at a meeting on April 11.

S. OF U. V. AUXILIARY

After a meeting of the Sons of Union Veterans auxiliary Thursday evening at the hall, Main st. a lunch was served by Mrs. Rebecca Hurst to celebrate her birthday anniversary.

GOFMAN-TRUAX

Mrs. Hattie Annay Coffman of Salem, and Bert Adair Truax of Weston, obtained a marriage license last week at New Cumberland.

KING'S HERALDS

A meeting of the King's Herald's of the M. E. church will be held at 2:30 p.m. Saturday at the home of Mary Leisure, Madison ave.

MARRIAGE LICENSE

A marriage license has been issued at Lisbon to Miss Inez M. Yengling of Salem, and Edgar H. Diller, of Detroit.

Envoy Williams, of the Salvation Army, is slowly recovering from a severe illness.

New Yorker Honored

City hospital has been brought to her home in Homeworth.

The remains of Mrs. Mary Wells Faulkner, who died at the home of her nephew, Robert Scott at Long Beach, Calif., was brought to Canton for burial. She was 69 years of age and is survived by one sister, Mrs. Owen Brocke, of Homeworth and a number of nephews and nieces. She formerly resided at Lisbon, Alliance, Homeworth and Canton.

Ralph Stump was in Alliance on business Wednesday.

Palmer W. Freshley, Ray D. and Arthur M. Thomas, were in Lisbon on business Monday.

M. E. Belat of Ravenna was in Homeworth on business Wednesday.

HOMEWORTH

There were about 150 in attendance at the St. Patrick's party given Thursday evening at the Christian church by members of the Missionary society.

A program was given which consisted of these numbers: Piano solos, Calvin Conway; readings, Mrs. Merle Stratton; vocal solos, Mrs. A. B. Hobson; a toast on St. Patrick's day, Miss Ella Then Smith; one-act play, "Red Carnations," by Miss Ruth Eakin, Bob McCauley and Glenn Broomall; members of the Salmagundi club of the Salem High school; sacred musical reading, Mrs. Martingale; vocal solos, Arnold Lutes; and violin solo, Miss Alta Moore. Mrs. Ruth Berry was the accompanist for the musical numbers and Mrs. Ross Clay had charge of the program.

Refreshments were served at tables decorated in keeping with St. Patrick's day. The name cards were in green and white and a white taper in a crystal holder formed the centerpiece on each table. Floor lamps also were used to make the room attractive.

A similar party was held in the afternoon and Mrs. Cora Schwartz had charge of the program at that time.

BANG BANG CLUB

Mr. and Mrs. Roy Guy of Columbian were invited guests Thursday evening when Mr. and Mrs. Ralph Stoffer entertained members of the Bang Bang club at their home, Roosevelt ave.

The evening was spent playing five hundred and prizes were awarded to Mr. and Mrs. Frank Bolen and Mrs. Charles Leaf. Refreshments were served by the hostess.

In two weeks the members will meet at the home of Mr. and Mrs. Lenf, Brooklyn ave.

HOSTESS AT LUNCHEON

Mrs. Clyde Reich, of East Fourth st., entertained her club associates at a prettily appointed luncheon Thursday at the McKinley Inn, McKinley ave.

A bouquet of pink and white snapdragons centered the table and the other decorations were in keeping with St. Patrick's day.

Three tables were engaged at bridge and prizes offered were won by Miss Hazel Linn and Mrs. S. J. Menzel. The next meeting will be in two weeks.

HAPPY HOUR CLUB

Happy Hour club associates went to Columbian Thursday evening and had a covered dish supper at the home of Mrs. Howard Jeffries, celebrating the birthday anniversary of Mrs. David Wolfgang, a member of the club.

Bridge was a diversion of the evening and prizes were awarded Mrs. Thomas Young and Mrs. Carl Ruhl.

A meeting in two weeks will be with Mrs. Thomas Young, Chestnut st.

SAPPHIRE CLUB

The hours were devoted to sewing when associates of the Sapphire club met Thursday evening with Mrs. Frank Ewing, Washington st.

The hostess served a lunch and the favors were green carnations. In two weeks the members will meet with Mrs. Robert Fites, Lisbon rd.

GOODWILL CLUB

Fancywork interested the members while they visited at a meeting of the Goodwill club Thursday afternoon at the home of Mrs. Harold Weekley, Ohio ave. A lunch was a concluding pleasure.

Mrs. Ross Culerson, East High st., will be hostess at a meeting on April 11.

Soft-Hearted Juror Excused from Duty

Bayonne, N. J., Mar. 15.—Because it would break his heart and make him cry to hear how Jeremiah Carroll lost a leg, became deaf, got a fractured skull and other injuries, Harry Kutsch, was excused from jury duty in Carroll's suit for \$150,000 against the Barber Asphalt company today.

China has reached third rank among the nations for the production of cotton with an annual output of about 2,500,000 bales.

RHEUMATISM IS NOW A MEMORY: KONJOLA PRAISED

Nervousness and Other Ills Vanish, Too, When New Medicine Is Put To Test

MRS. NANCY PATTERSON

"I never shall be able to pay the debt of gratitude I owe to this new Konjola," said Mrs. Nancy Patterson, R. F. D. No. 10, Washington C. H., Ohio. "I feel ashamed of myself that I ever doubted that this medicine could help me, but this is my opportunity to tell what this splendid medicine did for me, after I had suffered for years from rheumatism and nervousness. The rheumatic pains settled in my right shoulder and I could hardly sleep at night, and by day I was scarcely able to move about the house. I was constipated, and nervous, and my health ebbed rapidly. I had tried scores of treatments without success."

"A neighbor, who had had experience with Konjola, urged me to give this new medicine a chance. I was full of doubts, but I started with it. To my astonishment, two bottles were all I needed to put me back on my feet again. In two weeks the constipation was relieved completely, and all the poisons were swept from my body, and every rheumatic pain had disappeared. I am feeling so well that I can hardly think or talk about anything else but Konjola."

Konjola is sold in Salem at J. H. Lee Drug stores and by all the best druggists in all towns throughout this entire section—Adv.

Hostessing in the Modern Mode

Everybody who's anybody now receives her guests in hostess pajamas. And what could be more appropriate than the above ensemble, consisting of three-quarter length cloth of gold jacked trimmed with luscious sable; blouse of Nile green, girdled harem fashion, and topped off, as it were, with very ample trousers of emerald green transparent velvet.

Keep youth
longer!

cleanse the system
of poisons

Two of the great enemies to youth and intestinal poisons. To keep yourself free from both these common difficulties will help you to stay young.

With the use of Nujol you can do it too. For Nujol absorbs body poisons and carries them off, preventing their absorption by the body. Nujol also softens the waste matter and brings about normal evacuation. It is harmless; contains no drugs or medicine. It won't cause gas or griping pains, or affect the stomach or kidneys. Every corner druggist has Nujol. Make sure you get the genuine. Look for the Nujol bottle with the label on the back that you can read right through the bottle. Don't delay, get Nujol today.

Sarasota, Fla.—Which would win in a fight between an eagle and a rooster? Well Ed Zwingle, a dairyman, is having the remains of an eagle mounted as a trophy and is attending to a wounded Plymouth Rock. And he has his wife's eye-witness testimony to the battle. She stopped it. The eagle was six feet one inch from tip to tip.

Niles, O.—The village of Mineral wife of Albert Elias, a steel worker, body being found in the attic.

Ridge, near here, today was stirred. Her only child, Lillian, 15, spread an alarm when she failed to find her.

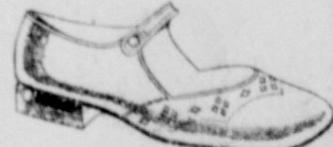

Rio De Janeiro—Brazilian coffee is to be easily identifiable. Every berry is to be stamped. An electric machine will make a sackful a minute.

Under sufficient pressure slabs of marble can be bent like wax.

Are the Children Needing Shoes?

We've been fitting a lot of children with Buster Brown Shoes this spring. Spring, you know, is the new shoe time for the girls and boys.

Buster Brown Shoes are wonderful shoes for growing feet. They are full of hard, active service.

CITY HOSPITAL NOTES

Mr. and Mrs. Roy Beck, East Palestine, are the parents of a daughter, born Friday morning at the Salem City hospital.

Two patients are in the hospital for surgical treatment. They are: Marion Douglass, East Palestine, and Mae Mankin, Emon Valley, Pa.

These patients have been discharged: Mrs. Ruth Mellinger and baby; Theodore Bush, Salem; Nedra Neigh and Nell Huston, Lisbon; Betty Jane Forbes, Sebring, and Lester Morris, Leetonia.

AMITY LODGE

At a meeting of Amity Lodge No. 124, I. O. O. F., Thursday evening at the hall, Broadway, an invitation was received from the Alliance Lodge to a card and dance party to be held Saturday evening.

Next Thursday evening the annual inspection of the lodge will be held with J. M. Elliott, et Sebring, representative, in charge.

The Three Links social club will hold a dance Monday evening.

DANCES PLANNED

Members of the Saxon basketball team will hold a dance Saturday evening at the Memorial building following the game.

On Monday evening members of the Three Links Social Club will entertain at a guest dance at their hall, Broadway.

Ray Bartholomew and his orchestra will furnish music for both dances.

WINONA W. C. T. U.

The Winona W. C. T. U. held an all-day meeting Wednesday at the home of Mrs. Sina McGrath with 10 members present, and two visitors.

The morning hours were devoted to quilting. Della Barber had the devotions. A Union Signal program was in charge of Anna Whinnery. The union will meet on April 10 at the home of Clifton Hall.

EAST ROCHESTER

Miss Leona Pinnefrock of Minerva spent the week end with Miss Ruth Vanpelt.

Mr. and Mrs. Clarence McBride visited with his parents, Mr. and Mrs. Jesse McBride.

Mr. and Mrs. Harry Elton and daughter were in Alliance Friday.

Mrs. M. G. Lanham visited at the home of Mr. and Mrs. Day in Kensington.

Born to Mr. and Mrs. Everett Fishel, a son, last Sunday. Miss Maud Miller of Minerva, is the nurse.

Mr. and Mrs. Charles Marrietta were guests of Mr. and Mrs. Frank Eminson, near Alliance, Friday.

Mrs. Heffner of Alliance, spent several days last week with friends here.

Mr. and Mrs. J. E. Hill and Mr. and Mrs. William Evans were guests of Mr. and Mrs. Extine in Canton Sunday.

Robert Hole, son of Mr. and Mrs. A. J. Hole, is ill of measles.

Mrs. Harsh of Kensington, was the guest of her son, Walter Harsh and family, last week.

John Myers of Alliance, spent the week end with his wife and family here.

Mr. and Mrs. Harry Hawkins entertained Charles Ruff and family of Bayard, at their home, Friday evening.

Mrs. Pleas Hawkins who has been very ill at the home of her daughter Mrs. Witherspoon in Alliance, for several months, was able to return to her home here this week.

Mr. and Mrs. C. E. Marrietta were guests of Mr. and Mrs. C. W. Smith in Alliance.

Mrs. Elvin Woodward of Cleve-

land, visited a few days with Mr. and Mrs. J. F. McDonald.

Atty. and Mrs. W. S. Ruff were guests of Mrs. Lin Ruff and daughter, Miss Carrie.

The League of Women Voters and their husbands met at the home of Mr. and Mrs. Alban Taylor for a St. Patrick's day party, Tuesday evening. Dinner was served at 6:30. Twenty-five were present. Several were not able to be present on account of illness.

Mrs. Roberts, president, had charge of the business session and the study hour. Contest winners were Mrs. H. Derringer, Mrs. Gardner and Mrs. Leonard Ray. Six guests were present. The next meeting will be with Mrs. Swearingen in April.

Mrs. Celesta King is spending several days at the home of Mrs. Linn Ruff and daughter, Miss Carrie.

Carl Brenner and family are moving to the Daniels farm north of town.

Clay Edwards and family are moving to the Kennedy farm west of town.

Mrs. M. W. McDonald was hostess to the Busy Workers Sunday school class at her home Wednesday afternoon. Seventeen were present. Mrs. J. F. Gardner and Mrs. F. L. Krieg sang an Irish duet; Mrs. R. W. Cowden won the contest prize. Mrs. Krieg had charge of the study period. The hostess served refreshments. The April meeting will be with Mrs. Jennie Myers.

Miss Emma Watson of Salineville is assisting in the care of Miss Ad Watzen, who has been ill several months.

Mr. and Mrs. Jesse McBride were guests of Mr. and Mrs. Nathan Rakestraw in Berlin Center, Tues-

day.

District Track Meet Will Be Held At Reilly Stadium May 18

Salem To Get Leading Event Of Season For Second Straight Year

The Northeastern Ohio district field and track tournament, one of the outstanding competitions in the state, will be held at Reilly Stadium, May 18, it was assured Salem fans by Floyd A. Springer, secretary of the district board of athletics, in a letter to Wilbur J. Springer, principal and athletic director, Thursday afternoon.

Roger announced that the board had decided to accept Salem's invitation to hold the competition in the new stadium, and that all schools of the southern half of the section, including Akron and Youngstown schools, Canton McKinley, Alliance, East Liverpool and other Columbian county aggregations, will participate here.

George Thompson, director of athletics at the colored Y. M. C. A. in Akron, has been secured as starter, for the meet, Springer announced, and all plans are being rushed to complete preparations for the affair, which brings together the class of Ohio's track and field athletes.

Thompson, former star University of Indiana athlete, officiated as starter at last year's meet, and will also act in that capacity at the Columbian county event, which will be held May 11.

No decision has been made as yet, where the county meet is to be held, special session of the county track and field association being scheduled for some time this month, when schools will vote on the matter. Salem and Lisbon have submitted invitations for it.

Lisbon is awarded the county competition. The Mahoning county Class B meet will be held at Reilly stadium, May 11th. Springer yesterday afternoon, was notified of the neighboring county's hopes to hold it in the new athletic plant, and he is awaiting the Columbian county board's action on the local meet, before final negotiations are completed.

Schedule Indefinite

The complete track schedule has not been definitely mapped out, Paul Stratton, faculty manager, announced. The first regular meet will be held, according to the present incomplete slate, April 27th, at Canton, the annual triangular competition between the Springermen, McKinley, and Akron Central.

Springer may take his lettermen—of which he has only a few—to the S. A. C. meet in Cleveland tomorrow, where they will act only in the capacity of spectators, due to the short amount of practice they have had this season. None will compete, Springer announced.

The inter-class meet is scheduled for April 12. Following the triangular meet, the team will compete in the Ohio Relays, at Columbus, May 3-4, and then return to make preparations to defend its county and district titular honors.

More Troubles

With the troubles of graduation of last year's stars, and the ineligibility of a horde of prospects for the present team, Springer received still another blow, this week, in the announcement that Johnny Floyd, one of the most promising youngsters for the sprints, will not be out all season, due to a recent attack of appendicitis.

Then again, Harold Walker, brother of Clarence, who has been declared ineligible for the semester, due to first semester failures in studies, has been temporarily placed on the black list, when he flunked out in two subjects, last week. He has time, though, to make up his work, by the time of the county and district events.

It looks exceedingly bad for Salem's hopes of ever repeating the successes of last year and other years previous. All the bad luck ever to have struck any track aggregation appears to have accumulated and laid in wait for this season.

Springer will concentrate, with J. M. Ruffner, assistant coach, all work on freshmen and other underclass prospects, as the chances for ever developing a winner this season are so dark, that it is probable that most of the work will be in preparation for seasons to come.

Ripley, Mo.—One of the last of Missouri's famous covered bridges will soon be replaced by a steel structure.

Saxon League Game Slated At Salem Gym

Salem and Lorain Clash At Memorial Hall Saturday

The Salem Saxons, with slight chance of pulling through for their second consecutive Penn-Ohio German league championship, will clash with Lorain, at the Memorial gym, Saturday night, in a lopsided contest.

The Salem quintet is tied for second place in the circuit with Homestead, Pa., while Cleveland East occupies the top berth. Salem and Homestead each have nine wins in 11 starts, while East has lost only one game in the same number.

Lorain is in fourth place in the league with six victories and five defeats, but held the Quaker City cagers to a close decision at Lorain, early this season, and has shown signs of gathering strength as the schedule proceeded. Alliance evened the count with the Lorain five, handing them a close 19-16 setback at the Barnes auditorium last week, in the second meeting of the teams.

Salem's two defeats were sustained at Cleveland and at Homestead, and has won all its home games. An overwhelming first-quarter lead piled up by the Clevelanders licked them in their invasion of the East gym, and in order to even threaten East's hold on first place, Salem must win the remaining six games on its schedule.

A dance, with Ray Bartholomew's orchestra playing, will be held in the Memorial gym following the game, Saturday.

Cellar Champs Show Class In Big Upset; Cigars Trim Furnace

The Junior Saxons, cellar champs of the first half of the city league, stepped into the race for the title in the second half, when they handed the late champions, the Seiberling Tires, their third defeat of the race, 30-28, in a sensational battle at Memorial gym last night.

The Saxon outfit was strengthened by the addition of Pete Hersh and Danny Williamson, and held a two-point lead all through the fracas. It was probably the season's biggest upset.

In the opening contest, the United Cigars remained in the running for the title, defeating the Electric Furnace by a 32-28 score in another hard-fought affair, which was undecided until the final shriek of the whistle.

CLOSE RACE

The two games placed the Cigars and Saxons almost neck-and-neck for second place in the circuit, with the Business College quintet holding a strangle hold on first place with a clean slate of four straight wins. Both the Saxons and Tobies have lost one start.

The Tires-Saxons clash, for the first half was a colorless affair. The score at the end of the first quarter stood at seven-all, but at the half, the Saxons stepped into the two-

point lead, which they kept the whole way.

Only once did the Tires threaten to step into the front. In the third session, after the Saxons had increased their lead several points, Pete Sanders and Rudy Kloos sunk a couple field buckets, and started playing a fair class of ball, but the opposition's defense was too much for them.

FEUDS WIN

Expert foul-shooting by the whole Saxon team was one of the highlights of its victory, the five players missing only one attempt out of the 11 shots from the gift stripe. The Seiberling plunked in three more buckets from action than the Saxons, but were terrible from the gratis line.

In the last quarter, with two minutes to play, Pete Harsh was awarded two free throws when Captain Buck Lewis spoke a few words cut to place to Referee Reasbeck, and made both of them. This gave the Saxons a four-point lead, and a fielder by Glasgow, was of little use.

MILD EXHIBITION

The opening game was also a mild exhibition for the first part, and was featured only slightly by the spectacular. The Furnace five put up a nice battle, minus two of its stars, and led 9-4 at the quarter, but with Coy grabbing off eight cripes from under the basket, in

the last three quarters, were forced to the short end of the count.

MOVIES

In Playhouses Of Salem

"CARNATION KID"

While presidents and governors and senators and what not are being elected, there's another election on which is full of thrills and fights, all of which makes some unusually timely and interesting moving picture entertainment. It is "The Carnation Kid," the new Douglas MacLean-Christie production which is showing at the State tonight and Saturday.

In the MacLean picture there is a district attorney running for office in a big city; and some very dangerous underworld forces import a famous gunman to see that the district attorney never has a chance to run again. From the time that the young typewriter salesman is mistaken on the train for the notorious Carnation Kid with his newly invented machine gun, things begin to move in the plot. MacLean plays the part of Clarence the typewriter salesman; Francis McDonald is the real Carnation Kid.

Others who play the parts in this melodramatic comedy are France Lee who is the district attorney's daughter; Lorraine Eddy, secretary of the underworld boss; Charles Malles the candidate and district attorney and William B. Davidson as the boss of the bad men.

There's a real old-fashioned political rally in the picture with the torchlight parade and a stirring climax at the political meeting where the underworld boys get their

**NEWS IN BRIEF**

Paris—Marshal Foch has sent a letter to the city of Vincennes, which named a street for him: "You did it so early or waited too long."

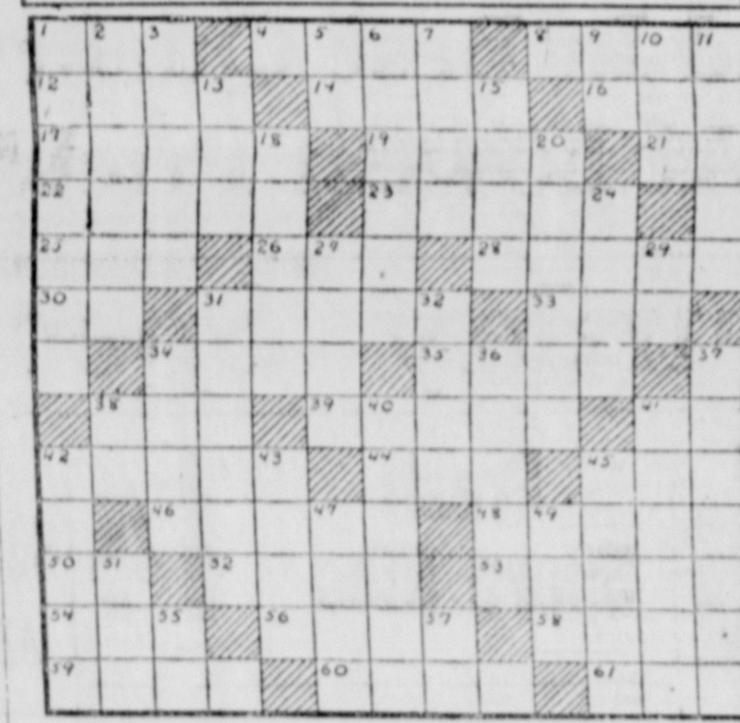

Cleveland—A small tube of rancid cream bigger than a capsule has disappeared from a Cleveland Clinic hospital and today every employee was engaged in ransacking the building in search of the little jar which physicians valued at \$1,000.

Washington—"Whoopee" came to the White House Tuesday. "Whoopee" is a salt-and-pepper Schnauzer puppy, and was sent to the Hoover's as a gift from Frances Lilian Gilman of Chicago. The pup's registered name according to the dog registry is "Druse von Enden-Laden," but that is too much of a name for such a little dog, so "Whoopee" was substituted.

London—Tourists in London particularly from the United States, are expected to come down with influenza as soon as they learn of the latest—and best—remedy. The only sure specific for the "flu," according to a famous Harley street doctor, is champagne.

Philadelphia—Rigid enforcement of the traffic rules cost a chauffeur of Mayor Mackey a fine of \$8.50 in traffic court here. The chauffeur parked his car at City Hall, although arrests were being made all around him for illegal parking and he was taken into custody. He paid the fine without protest.

Philadelphia—Rigid enforcement of the traffic rules cost a chauffeur of Mayor Mackey a fine of \$8.50 in traffic court here. The chauffeur parked his car at City Hall, although arrests were being made all around him for illegal parking and he was taken into custody. He paid the fine without protest.

HOME-MAKING HELPS

By Wanda Barton

Making a Painless Operation of Dishwashing

Scene, happy home. Young husband, beaming after an especially good dinner, benevolently offers to wash the dishes. Fifteen minutes elapse after dessert has been served. Wife looks significantly at coffee cups on table and makes an involuntary move.

Husband: Do sit down, dear. Didn't I say I'd wash up?" He continues to smoke. Half an hour later wife rises with a sigh.

Wife: "Don't bother tonight, darling. Really I don't mind dishwashing," she lies cheerfully. All she cares about is getting the darn thing over with.

Husband: "No, I said I'd wash them and I will. But you women are funny. Because a little work has to be done, must it be done this minute? Can't it wait an hour or two?" He goes into the kitchen by himself, and presently comes sounds of great clatter and splash. Also a tinkling crash as of fallen glass. With unbelievable gentleness the wife calls out, "What did you break, sweetheart?" To which the hus-

band replies: "Did we really use so many dishes? What for? Anyway, what's the idea of washing dishes after every meal when we've got plenty of unused ones in the cupboard?" A man's idea is to avoid it as much as possible. Impractical, from the ever conscientious housekeeper's point of view, yet, truth to tell, it has led to several inventions which make dishwashing more durable. There are several ways of reducing the number of dishes to be washed, and also to make the job easier.

If you can afford it, a mechanical dishwasher is a good investment. If you choose a good make, it will last indefinitely, not get out of order and save hours of time. It's quite possible to stack in a large dishwasher the dishes of several meals and not do more than one dishwashing per day. Dishes are more thoroughly cleansed than by hand, and also you spare your hands.

Less expensive than the large mechanical dishwasher are the small helps. There are a half dozen items, the sum total of which cost only a few dollars, which will enable you to do dishes in half the time. First, a little wooden paddle costing about 10 cents to scrape the dishes before stacking. Second, a scrap shaker. Third, a rubber hose with spray on end to be attached to the hot water faucet. Fourth, a wire dish drainer. Also a hand mop and large basin.

After scraping dishes, fill the pan with hot water, make suds with the scrap shaker, wash with the dish mop and place in the wire dish rack on sloping drain board. Attach the rubber hose to the faucet, turn on the hot water and spray the dishes in rack liberally. If the water is sufficiently hot the dishes will dry of themselves in a few seconds. Only silver and glassware need towel drying.

"It's not the dishes I mind so much—it's pots and pans," is a frequent complaint. But even this can be minimized by doing more casserole cooking. Serving food en casserole has several advantages. You save yourself the trouble of transferring hot food from cooking to serving dish—and the extra washing entailed thereby.

MIDDLETON

Mr. and Mrs. E. L. Cope and son Arthur were recent guests of Mr. and Mrs. Chester Cope in Salem.

Mrs. W. E. Scott is spending this week in East Palestine with her brother, Raymond Hayes, and family. She is assisting in the care of her father who is ill there.

Glenn Rockwell attended the Teachers Institute in Lisbon on Saturday.

Recent guests in the Hanna Blackburn home were Mrs. W. H.

Toulmin and son Howard of Youngstown; Thomas Blackburn, the Misses Annie and Myra Blackburn and Nelle Brown of Salem; Mr. and Mrs. R. K. Stokesberry of Columbiana.

Miss Nettie Blackburn of Leetonia spent the week end with her sister, Mrs. Ross Miser, and family, and called on her aunt Hanna Blackburn.

Wilbur Miser is improving nicely from his recent illness and expects to be ready for school soon.

EDITORS CREATE VIVID MEMORIAL

"Memory Lane" Becomes Reality As Two Sons Plant 69 Oaks In Memory of Mother

Bainbridge, Ga., March 15.—A novel idea in weekly newspaper publication is being tried in this city.

The Lagrange News, a Democratic organ, and the Lagrange Standard, a Republican newspaper, have consolidated their plants so far as their mechanical and business operations are concerned.

Both papers, however, will be continued as organs of their political parties and each editor will have a free hand in voicing his principles in his paper.

Mrs. Graves was 69 at the time of her death.

Novel Idea Tried By Weekly Papers

Lagrange, Ind., March 15.—A novel idea in weekly newspaper publication is being tried in this city.

The Lagrange News, a Democratic organ, and the Lagrange Standard, a Republican newspaper, have consolidated their plants so far as their mechanical and business operations are concerned.

Both papers, however, will be continued as organs of their political parties and each editor will have a free hand in voicing his principles in his paper.

Girl Loses Voice In Suicide Effort

Newport, Ind., March 15.—Despondent over illness Marie Anglemeyer, pretty 22-year-old young woman here drank carbolic acid but instead of finding death found life-long muteness.

Quick treatment saved the girl's life but physicians found that the acid had so terribly burned her tongue and mouth that her tongue was paralyzed. She cannot move it. Physicians say she will never be able to speak again.

A mercury-filled tube features a switch that has been invented for attachment to clocks to control electric currents at set times.

New Invention Aid To Byrd Expedition

Berkeley, Cal., March 15.—The success of Commander Richard Byrd's voyage of exploration and discovery may be due in part to the invention of a former University of California instructor. It was revealed today.

Among the explorer's instruments

is a sextant-like position finder designed for use on land or shipboard, and possibly in airplanes. H. B. Kaster, former assistant in the department of astronomy and engineer in the naval service is the inventor.

Stomach Gas, Dizzy Spells and Backaches Vanish

"Owa-Ton-Na Real Opportunity for Discouraged Sufferers," Says Mrs. Sinderly. Husband Also Praised This Fine Old Indian Remedy

When ill health comes, too often selection of the right remedy is not given careful consideration. Nature has endowed mankind with its most delicate mechanism. Minute nerve ramifications in important organs of the body can easily be deadened by harmful medicines, thus interfering with the transmission of nature's warnings to the brain centers. The result is that destructive poisons continue their work in delicate organs as long as such remedies are used; but upon their discontinuance, it is not long until the sufferer finds that their treatment has been of no avail. Thousands of sufferers have experienced this condition until finally they felt there was not any help for them.

Owa-Ton-Na proves itself exceptionally valuable in obstinate cases which do not seem to respond to treatment. Often times, relief in these cases are considered miraculous. It is not claimed that Owa-Ton-Na performs miracles; simply that it does what a very few medicines do, and that is to cleanse from the system harmful poisons which are causing disease. The surety with which nature's roots, herbs, barks and berries are compounded in this Indian formula, Owa-Ton-Na, act is daily experienced by thousands of sufferers. They act not by doping and deadening, but by stimulating normal functional activity which results in a natural elimination of disease. The laboratory representative who is daily explaining the merits of this fine old Indian Remedy, Owa-Ton-Na, to eager health seekers at Floding's drug store has seen thousands of gratifying cases and will be able to tell you about them and the merits of this remedy.

Of particular interest to similar sufferers, is the case of Mrs. Paul Sinderly, 1010 Reynolds Pl., S. W., Canton, O., who has tried many remedies for the relief of her disorders with very little results. She says, "It would be hard for me to say just how many different things I have tried since I have been ailing. It almost seems as though I had been taking medicines all my life. Terrible gas and bloating spells with which I suffered, sometimes made me feel that I couldn't bear them. Why, at times it seemed I couldn't get my breath. Food just lay in my stomach, it seemed to last hours and many nights I would toss about in bed without being able to sleep."

You, too, may find in Owa-Ton-Na just the medicine you have been looking for. Why not call today at Floding's, J. H. Lease or Bolger & Son's, 111 W. 7th Street, and try a bottle. My bowels have been constipated French drug stores and try a bottle for years and my kidneys had not done for yourself?—Adv.

COLUMBIANA

One of the largest crowds of the season attended the basketball games at the Columbian gym Tuesday night. The feature game between the Franklin Boosters and the Sigma-nu fraternity team from Mt. Union college turned out to be a rather farcical affair, the visitors winning easily, 61-31. The Boosters' team play was greatly weakened by the absence of their star forward, Donald Barbe, who is still suffering from the effects of injuries sustained in previous games. Two members of the Mt. Union college varsity, which won the Ohio Conference championship, played on the fraternity team.

Harold "Fat" Burkle, Columbian boy, being the mainspring of the Sigma Nu offense. His brother, Clarence "Buck" Burkle, Boardman High school coach, is captain and coach of the Boosters. The Franklin Lassies were defeated 20-16 by a fine girls' team from Warren, in an interesting game, while the Franklin Columbians defeated the Darlington A. C. in the preliminary test.

The Columbian Chapter, Order of Eastern Star, held their ninth anniversary program Tuesday evening in Masonic hall. One hundred and thirty were present, including many visitors from the East Palestine and Leetonia chapters. A delicious lunch was served by the social committee, following an interesting program. The hall was beautifully decorated, featuring spring flowers and a cross of roses.

The men of Grace Reformed church were entertained Wednesday evening at a social in the church parlors by the members of the Men's Bible class. The president, T. J. Sailors, had charge of the program, and a lunch was served.

A committee representing Benjamin Firestone Post, American Legion, met Tuesday evening with the members of Hattie Bishop circle, Ladies of the G. A. R., to make plans for the Memorial day program. The service this year will be held in the morning, the parade assembling on Union st. at 9 o'clock while the services in the cemetery will begin at 9:30. There will be no school program, as has been the custom in past years. In case of inclement weather, the High school auditorium will be used for the brief program.

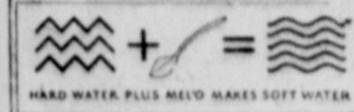

Mr. and Mrs. Arthur Stephens returned Wednesday from a wedding trip to Cleveland and have gone to housekeeping in the W. S. Burkhardt property on West Park ave.

Such greasy hands!

Hard water won't clean them

Melo water can't do much with greasy hands. Of course, you use lots of soap. You try to get a thick lather. But the water is too hard; it combines with the soap and forms a scum. How can you expect to clean greasy hands in that water?

There is a way. Use Melo. Sprinkle a little in the basin. Water softened with Melo makes a wonderful cleaner, with or without soap. Soft water and soap and lots of lather; grease won't stay long on your hands. Get a can of Melo at your grocer's today.

Ray Keech Attacks Official For Sanctioning Death Ride

Philadelphia, March 15.—Lee Bible never had a chance.

"It was just like sending a boy on a man's errand."

Thus Ray Keech, former holder of the world's auto speed record, today commented on the death of his friend and former mechanic in the automobile crash at Daytona Beach yesterday.

"Bible was just a good mechanic but not an experienced race driver," Keech said.

Keech arrived here by airplane yesterday after watching Major H. O. D. Segrave, the Englishman, break his record of 207 miles an hour by traveling 231 per hour in his "Golden Arrow."

"Speed is a trade just like plumbing or carpentering and you are not qualified as an expert unless you have had much experience," Keech went on.

Bible at 42 years of age also was too old, added Keech. Most auto race pilots are forced to retire by the age of 35.

J. M. White, owner of the car, might well have employed any one of ten noted pilots who were on the ground "ready to take a chance," Keech added.

Faulty design of the Tripex

Employee Tells How World's Tonic Helped His Catarrh

Suffered Severely Many Years; Two Bottles Bring Great Results

Traveling one hundred miles for medicine recalls the days when places for medical assistance were few and far between. The pioneers of the south traveled through swamps and over hills to the doctor to find relief for loved ones.

Mrs. Moore of Mississippi made her first trip of one hundred miles to Memphis, three weeks ago to secure World's Tonic for her husband who had been a sufferer of catarrh of the head for "several years." The first bottle gave such good results that a second trip was made to Memphis, Tenn., and two more bottles purchased. In a letter to the World's Tonic man Mr. Moore, one of the oldest employees of the I. C. Railway Company says:

"World's Tonic has done wonders for me. The very first bottle gave such great relief. I felt that I should let others know of its merit. I am now on my third bottle and the catarrh in my head does not trouble me in the least. I feel that I am on the road to a permanent relief."

The World's Tonic man in commenting on the quick results given in this case said:

"If you can detect catarrh in the nose and throat and are also having trouble with the stomach, bowels, liver or bladder, your whole system is probably permeated with the catarrh."

To relieve catarrh properly it is necessary to have a systematic treatment that helps relieve the distress in the nose and throat, such as hawking and spitting of mucus, the pains in the head, headache, dry scales in the nose and the like. At the same time, World's Tonic helps to fight the catarrh throughout the system. It is designed to rid the body of catarrh and has brought astonishing results in many cases.

"If you suffer from this frightful disease, you owe it to yourself to at least find out about this treatment that is bringing others such amazing benefit."

Get World's Tonic at J. H. Lowe Drug Co. or any reliable drug store. (A-132).

Paying His Court

King Boris of Bulgaria, below,

is in Vienna with his sister,

Princess Eudoxie. He is be-

lieved on his way to Rome,

traveling incognito, where he

will pay court to his intended

bride, Princess Giovanni, top.

Their impending marriage has

been the talk of royal circles

for months.

For Colds -

How many people you know end their colds with Bayer Aspirin! And how often you've heard of its prompt relief of sore throat or tonsilitis. No wonder millions take it for colds, neuralgia, rheumatism; and the aches and pains that go with them. The wonder is that anyone still worries through a winter without these tablets! They relieve quickly, yet have no effect whatever on the heart. Friends have told you Bayer Aspirin is marvelous; doctors have declared it harmless. Every druggist has it, with proven directions. Why not put it to the test?

Aspirin is the trade mark of Bayer Manufacture of Monowitz-Bitterfeld of Bayreuth

ASPIRIN

RELIABLE USED CARS

It pays to go to the Buick Dealer

Two used cars may look much the same from the outside. Mileage, model, tires and general appearance may be all about alike.

Yet there may be a great deal of difference nevertheless—a difference in mechanical condition which will soon show up in actual driving.

You have only the word of the dealer to go by.

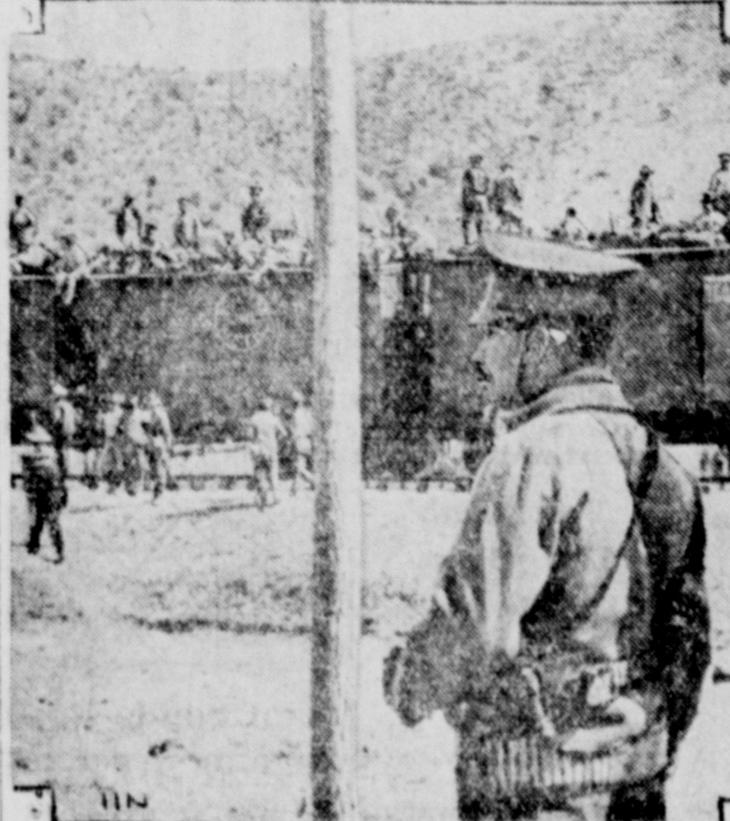

That's why it pays to go to the Buick dealer. You can rely on what he says. And you may be sure his price is fair.

SOME GOOD ONES!

Moving Southward to Big Battle

Here are some of the hordes of rebel soldiers which swarmed into Nogales, taking the town without bloodshed. They are now being rushed toward Torreon to aid their embattled General Escobar who is being hard pressed by General Calles with a huge army of Federals.

COURT NEWS

Suit Follows Wreck

As a result of an automobile wreck on the Salem-Lisbon rd. near the Pennsylvania railroad crossing Nov. 6, 1927, Joel Cebbs has filed suit in court against Alex Ditty of 416 130th st. Cleveland, to recover \$200 damages. Negligence on the part of the defendant is charged by the plaintiff, in that Ditty failed to heed a warning of the plaintiff when he attempted to pass the car driven by the defendant, and which resulted in a wreck.

Case Settled

There has been a settlement out of court and at the costs of the defendant in the \$10,000 damage suit filed June 19, last, by Wilda Neal against William Doughty.

own motion in the replevin case of Herbert Andress against Earl Spalding, constable of Unity township. This is an action in replevin, and Pazer has been granted leave to file his cross petition at once.

Judge Grants Leave
In the case of Mike Mercure against J. Henry Landwert, a \$300 accident case, the court has granted leave to the defendant to file pleadings at once.

Leave to the plaintiff to file a reply at once has been entered in the case of Lawrence L. Welsh against George W. Hoke. The claim in this case is for \$200 accident damages.

Defendants have withdrawn their

answer, and leave has been granted by defendants to file a motion to the petition of the plaintiff has been granted in the case of Hannah Kirkham of East Liverpool against the county commissioners. The plaintiff in this cause seeks \$5,500 damages as a result of an accident.

COURT NEWS

Divorce Case Filed; Another Is Granted

Willis Brooks, East Liverpool, has been sued for divorce by his wife, Vera Brooks, the petition of the plaintiff charging gross neglect of duty and extreme cruelty.

The couple were married June 20 last, and Mrs. Brooks relates that her husband accused her of unbecoming conduct.

She has also related that Brooks has remained away from his home late at nights, and that he had told the plaintiff to leave home.

Both temporary and permanent alimony is sought in addition to a decree.

On the grounds of gross neglect of duty and extreme cruelty a decree of divorce has been granted Jessie Estelle against her husband Rooy Estelle, the action having been filed Sept. 28, last. The plaintiff has been restored to her maiden name Jessie Keeper.

Foreclosure Filed

Foreclosure proceedings have been filed by the Federal Building & Loan Co. of East Liverpool through Hill & Davidson against John Lee and others to secure a judgment for \$713.90, secured by mortgage on two lots in Morningside addition, East Liverpool.

When Walter E. Lower died April 10, 1928, and \$2,000 life insurance money was to be invested in a trust fund for the education of William Lower, a minor, this was not done, according to a petition filed in common pleas court by Bernice L. Lower, as the next friend of William Lower, aged three years, against Mary L. Cope of Columbiana.

The petition relates that the \$2,000 was not invested by the defendant as agreed to, and that the

HE WAS LIFELESS
AND DESPONDENT

But ALL-BRAN made him wide-awake and well—doctor prescribed it

CONSTIPATION ruins hopes, saps strength. Yet thousands of sufferers have found the way to relieve and prevent this disease. Read how this man rid his system of constipation.

"During the three years before ALL-BRAN cured me, I experienced more embarrassing moments than I care to tell of. Being lifeless, I began to feel that I could not keep my job. My friends didn't want my company and I was tired of being asked 'What in the world is the matter with you?'

"After spending much money on treatments, I finally found a doctor who advised me to eat ALL-BRAN three times a day. I did this for three months and I didn't need to be told that I looked better . . . I felt better and acted better . . . I am still using ALL-BRAN now more . . . and have no trouble now whatsoever." (Name and address upon request.)

Guard against constipation by eating Kellogg's ALL-BRAN. ALL-BRAN is guaranteed to prevent it—to relieve it. Just eat two table-spoonsfuls daily—chronic cases, with every meal. Far better than habit-forming drugs or pills.

ALL-BRAN is 100% effective. Doctors recommend it because it promotes natural elimination. Serve it with milk or cream. Use it in cooking—muffins, bread, etc. Delicious recipes on the package. Grocers sell it. Restaurants, hotels, dining-cars service it. Made by Kellogg in Battle Creek.

defendant has refused to recognize the trust, but has converted the money to her own use.

The plaintiff now asks the court to compel the defendant to make an accounting, remove the defendant as trustee, appoint another in her place, and grant such other equitable relief as may seem proper. The petition for the plaintiff has been filed by Att'y. Charles C. Connell of Liss-

lancy, and bound over to common pleas court.

A lesser charge was filed against him in probate court and he was fined \$50 and committed to the county jail for 30 days in addition.

Dismissal Entered

On the motion of the plaintiff, and with the consent of the defendants, the judgment of dismissal

formerly entered in the case of Edward Hester against the county commissioners has been vacated and the action reinstated. This case has been pending since April 27, 1927 and was for the purpose of recovering \$600 for the destruction of a lot.

Last January the case was dismissed by the court for want of prosecution on the part of the plaintiff.

Broken Dishes Are Cause of Action

Lisbon, March 15.—Anthony Crowley, formerly of Youngstown, entered a plea of guilty before Probate Judge Lodge Riddle to a charge of petty larceny, and the destruction of a lot of dishes at the home of Viola Percy near Columbiana.

Crowley was first arraigned before Justice of the Peace S. S. Weaver at Columbiana on a charge of
